Re: Advisory Opinion Request

To Whom It May Concern:

While I believe the law permits state legislators to contribute from their campaign accounts to the campaigns of others, I am requesting an advisory opinion with regards to the legality of my accepting, as a judicial candidate for Family Court, a campaign contribution from a state legislator. The contribution is in the form of a check, drawn on the legislator's campaign fund

Thank you in advance for providing me with the Registry's opinion at your earliest convenience.

Best wishes.

Sincerely,

Keefe Montgomery
